BRIEF ABSTRACT OF LETTER.

Requests that in consideration of the extended jurisdiction of the ~~Doddaballapur~~ Chickballapur Munsiffs' Court, the establishment may be strengthened by the addition of two hands, a clerk on Rs 20 and a gumasta on Rs 15 a month to cope with the increased work.

NOTES AND ORDERS.

This is the 5th application for an increase of establishment to the Munsiffs' Courts in one form or another. The other four are for Chitaldrug, Chickmagalur, Hassan and Bowringpet Munsiffs' Courts. These files are now under consideration

of Government. It would have been better if the Chief Court had made a single reference for the revision of the establishments after considering the adequacy or the inadequacy of the Existing establishments of the Munsiffs' Courts in general. For purposes of comparison such a course would have suited better. In the present case for instance, there are no statistics regarding the work, income and expenditure of other Courts of similar grade to guide the necessity for an increase.

As regard Chickballapur Munsiff's Court however, the Chief Court was of opinion that the addition of the taluks subject to the abolished Court at Doddaballapur would not make the file unduly heavy. That seems to have had reference only to the Munsiff and does not seem to have been given from the standpoint of the Existing establishment of the Court.

3 The question of the possible accession of work and the need for additional establishment does not seem to have been considered in connection with retrenchment in the judicial department.

4 The proposals now made by the Chief

It will have probably to be sanctioned as an additional grant. But it has to be consulted on the point if no provision can be made, the Chief Court maybe informed that proposals may be renewed early next year

On comparing the Statements it is found that excluding the Principal Municipal Court at Bangalore and the Municipal Court at Shimoga, the ministerial establishments of all the other Courts consist of 1 head more than the present establishment at Chickballapur. Shimoga Court has practically the same establishment as Chickballapur and it does not seem to require any strengthening as there is steady diminution in the work of that Court from 1902-03. The Bangalore Court has however a very liberal Scale of Establishment

dealing with the question of additional establishments to the Hassan and Chickmagalur Munsiffs' Courts, is also put up.

Acs 18/2/08 M 14 I understand that the only Courts for which an increase of clerical establishment is asked for are the Munsiffs Courts at Chitaldroog and Chickballapur. It is not known whether any increase is asked for for the Tumkur Court.

15 The points for consideration are: —

(1) whether there are sufficient grounds for any increase in the clerical establishments and if so, how many additional hands are to be given to each of the Courts and on what pay?

(2) whether any reduction is possible in the clerical establishments of the Munsiffs Courts at ~~Ko~~ Bangalore, Mysore and Kolar Gold Fields? I believe Kolar Gold Fields is meant in the G.O dated 17th Dec 1907 and not Kola. The figures of the Kolar

16 The Chief Court says that a reduction is not possible - The several points to be considered in connection with the two questions raised above are :—

(i) The work in each of the Courts referred to above, classified according to original, Small cause, execution and miscellaneous cases.

(ii) The income of each of the above Courts and the cost and strength of the ✗ existing establishments

(iii) The income, cost and strength of the establishments of some other Courts having the same quantity of work to get through The establishment of the Seringapatam Munsiff's Court has been taken as the guide in the previous case -

21 Reduction of establishment :- The Chief Court says that it is not possible to reduce the establishment of any of the Munsiff's Court at Bangalore, Mysore and Kolar Gold Fields. The Court of the Principal Munsiff at Bangalore contains 13 hands including the Apprentice Clerk. It seems that one hand on Rs 15 may be taken away from there, but the Chief Court says that the Munsiff has made a strong representation against any reduction. The Principal Munsiff's Court at Mysore contains 11 hands. A reduction of one hand there also seems possible but the Dist: Judge of Mysore seems to be opposed to any reduction on the ground that the new record rules have added to the work of the Court and made one additional hand necessary. The other Courts at

1 Bangalore and Mysore and the Court at Kolar Gold Fields do not seem to be in any way over-manned. There is one important difference between the Courts at Mysore and Bangalore where the Central Nazarath System prevails and the Courts at ~~the~~ outlying stations which have the process establishment under their control. The former cannot obtain any assistance from the process establishment for the clerical work of the Court but the latter often obtain such assistance.

2 Increase of establishment to the Munsiff's Court at Chikballapur. The Chief Court recommends an increase of one clerk on Rs 20 and one clerk on Rs 15. A Clerk on Rs 15 may, it seems, be sanctioned for the present on account of the increased territorial jurisdiction of the Court and the consequent increase of work

Dear Mr Meyler Leo

Yours of the 19th May re additional establishment to the Chickballapur Mfg Co. The Court was inspected by Mr Justice Kaye Cudeyar on 29 April last. Though this question of the need of additional establishment was not particularly investigated the ~~following~~ Enclosed extract from notes

of inspection shows that the work of the Court has become very much heavier. The addition of two clerks now asked for does not therefore seem to be more than is absolutely necessary to cope with the increased work

39 The Chief Court has asked for an additional establishment costing Rs.35 per mensem for the Munsiff's Court at Chikballapur on the ground that the addition to the territorial jurisdiction of the Court recently sanctioned in Notification dated 26th April 1907 has materially increased the work of the Court. The statistics of the work of the Court received from the Chief Court show that the work has materially increased, and the addition now asked for does not appear to be more than what is absolutely necessary to cope with the increased work.

adding the talukas of Doddaballapur, Devanhalli and

jurisdiction of the Chikballa
pur municipal board I am
directed

directed to state that the above extension of jurisdiction has materially increased the work of the said Court. The increase of work anticipated from the newly added Taluks is 550 cases on an average, which, together with 600 cases, the average file for the last three years of the said Court, will make a total of 1,150 cases which is nearly double the work it had to do before the change.

2. The existing establishment of the Court, consisting as it does of only 9 hands, is quite inadequate to cope with this increased work, and it is considered very necessary

to strengthen the establishment by the addition of two hands; a clerk on Rs 20 and a gumasta on Rs 15 a month.

3. A proposition statement is enclosed, and I am to request that the sanction of Government may be accorded at a very early date.

Order thereon N° 3879-80

His Excellency observes that the Statistics of the work of the Munsiff's Court at Chickballapur, received from the Chief Court, show that the work in the said Munsiff's Court has materially increased, ~~and~~ the addition now asked for does not appear to be more than what is absolutely necessary to cope with the increased work and they are therefore pleased to sanction the entertainment in that Court of two additional hands as proposed by the Chief Court, at a total monthly cost of Rs 35 with effect from 1st July 1908. Provision will be made for the addition in the Estab-

budget for 1908-09.
